

Advanced Parenting for Challenging Children

Advanced Parenting for Challenging Children offers parents tools to help children and their families have fun, bond and grow.

Challenging Children are:

- Angry
- Defiant
- Destructive
- Disruptive

Or diagnosed with:

- Reactive Attachment Disorder (RAD)
- ADD/ADHD
- Oppositional Defiant Disorder (ODD)
- Depression
- Bipolar Disorder
- Asperger's
- Attachment Disorder
- Tourettes Syndrome
- Other disorders

The workshop begins with the bonding cycle and explains how the child learns to bond by getting their needs met repeatedly. Each lesson builds on the previous lesson. Topics include but are not limited to:

- Gaining a Deeper Understanding of Challenging Children
- Building Brilliant Brains Through Bonding
- Heading for Healing, How to Begin
- Dive in with Respect
- Creating a Heart to Heart Connection
- Structure and Nurturing
- Restitutions, Distractions and Picking Priorities
- Dealing with Feelings

"The Secret Inside Your Head to a Happier Life" workbook is included that offers skill-building exercises to be done at home or with a therapist. All parent workshops encourage networking between participants. Workshops are designed to promote laughter and fun. Come join us for an exciting time of learning. The workshop is designed to give parents hope, help them to laugh and have fun while they are learning new ways to bring happiness back into their home.
